

**Are your service charges too high?**

**Unhappy with your current managing agent?**

**Are you constantly chasing your agent to do repairs and maintenance?**

If you answered **YES** to any of the above Vision RTM is your answer:

- Have a say in how your building is run
- Total transparency on expenditure
- Lower yearly service charges
- Effective communication and hands-on management service
- Greater control

With our help you could finally have your say on how your block is run.
